- This indicates your company has a confirmed meeting with this company at that date and time.
- This indicates that your company made a recent request for a meeting OR it could a company your company originally selected but a meeting was not created between the two of you. Since no meeting was created, a request is still pending.
- This indicates you can make a new meeting request to this company
- This indicates that a company requested to meet with you and so you can accept or reject that request
