

A COMMUNITY OF THE AUTO CARE ASSOCIATION

supporter packet

The Young Auto Care Network Group (YANG), a community of the Auto Care Association, exists as a platform for young professionals in the auto care industry to further their professional development and contribute to the future success of the industry.

why yang?

Why YANG is Worth Your Investment

As a young industry professional, YANG will allow you to:

- Participate in national and local networking events
- Gain access to industry news, networks and scholarships
- Represent yourself and your company through leadership opportunities
- Develop essential business and leadership skills

As an employer, your future leaders will:

- Learn best practices from industry leaders and peers
- Garner exposure for your company
- Build relationships that enable future success for your company
- Value the opportunity to be a part of something bigger than themselves

We must ensure that the next generation of leadership has the tools (and mentoring) they need to advance the independent auto care industry. YANG offers the opportunity for those under 40 years old to network, share best practices and develop a support system to ensure our future."

Bill Hanvey
President and CEO, Auto Care Association

The Young Auto Care Network Group (YANG) is the premier community for young professionals in the auto care industry – *and we continue to thrive.*

member opportunities

YANG Programming at Auto Care Connect

Professional development and industry education geared toward the under-40 crowd available in conjunction with Auto

Care Connect Conference and the Next Step Program. Participants can earn Continuing Education Units (CEUs) toward professional designations offered through the University of the Aftermarket in conjunction with Northwood University, such as the AAP or MAAP.

YANG Mentorship Program

The YANG Mentorship Program is designed for young professionals in the automotive aftermarket who are passionate about their growth

and development. The program provides opportunities for members to focus on personal and professional goals, while acquiring the tools to become tomorrow's leaders. The YANG Mentorship program averages 115 mentees and 23 mentors participating each year.

Scholarships

Next Step Program

The Next Step Program offers five young industry professionals the opportunity to experience up-close how the association and various aspects of the industry work by attending Auto Care Connect Week.

Leadership 2.0

Every year, YANG awards one member a full scholarship to attend the University of the Aftermarket's Leadership 2.0 program: a two-week, post-graduate course focusing on leadership and business skills. The Leadership 2.0 scholarship is generously funded by the University of the Aftermarket Foundation.

YANG Ambassador Program

YANG Ambassadors are enthusiastic advocates for the community of under-40 professionals in the automotive aftermarket industry. Together, with the YANG Council, you will increase awareness and engagement throughout our industry. You'll gain insider access to updates, events, and industry happenings while playing a key role in spreading the word about YANG programs and opportunities.

Awards

Impact Award: 4 Under 40

The Auto Care Association Impact Award: 4 Under 40 award annually recognizes four people under the age of 40 who have made remarkable contributions within the auto care industry. These individuals have achieved success within their organizations through professionalism, hard work, dedication, and remarkable abilities. They are shining stars, examples for others and exemplary representatives of our industry. The awards are presented and managed by the association's Marketing and Communications committee and the YANG community.

YANG Regional Meet-Ups

More than 10 YANG Regional Meet-Ups have taken place throughout the year. These popular networking events allow attendees to connect with peers in a more casual atmosphere. Meet-Ups remain the single best way to engage the broader YANG community, so if your company is looking to engage younger industry professionals, host a Regional Meet-Up in your area. YANG's largest Regional Meet-Up takes place at AAPEX with nearly 300 attendees!
