

A COMMUNITY OF THE AUTO CARE ASSOCIATION

yang UNDER 40

style guide

THE LOGO

Clear space guideline
equal to the width of the
"a" from the logo

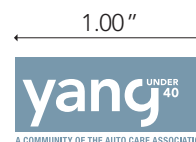

Community Tag version
Use this community tag
version of the logo when it
appears by itself.

No Tag version
Use this version primarily with
Auto Care logo lock-up. Some
exceptions are permitted with
approval from the Auto Care
Association communications
department.

Lock-up usage
Auto Care community logos
should appear to the right of
and proportionately balanced
with the association logo.

Minimum logo size: 1.00 in.

COLOR USAGE PROPORTIONS

The chart to the right shows the approximate proportions at which the brand colors should appear in materials.

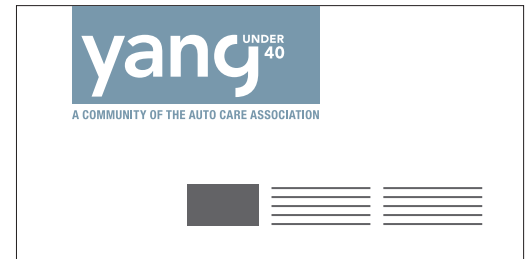

LOGO USAGE

Using the logo consistently will help build brand strength. The YANG logo should only appear in approved colors, which are limited to YANG Gray, YANG Black and reversed.

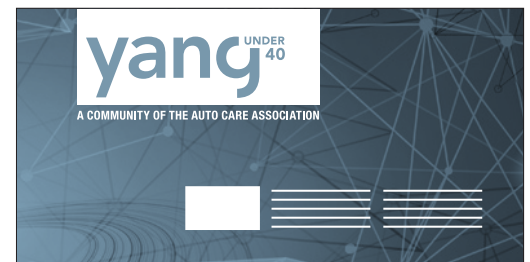

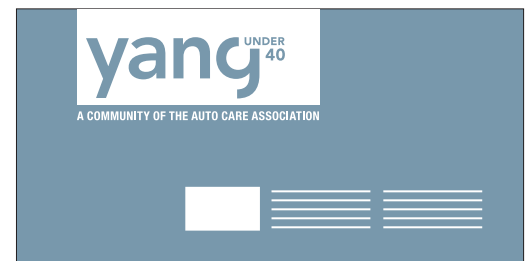

Preferred logo

The preferred logo should be used on white or light backgrounds.

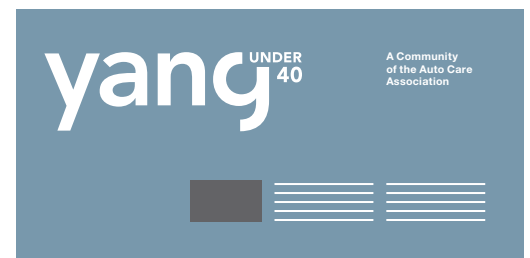

Reversed logo

The reversed logo should be used on dark backgrounds, busy backgrounds or on photography to increase visibility.

Floating logo

The floating logo can be used with the community tag, "A Community of the Auto Care Association," appearing in the artwork. The logo can be used without the community tag label (i.e. apparel) only with permission from Auto Care Association communications department.

INCORRECT USAGE

Do not use the logo in a non-approved color.

Do not stretch or modify the proportions of the logo.

Do not rotate or tilt the logo.

Do not apply drop shadow or any other effects.

Do not change size of letters within the rectangle of the logo.

Do not change location of letters within the rectangle.

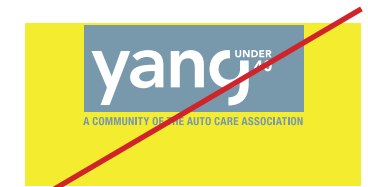

Do not change the position of logo elements.

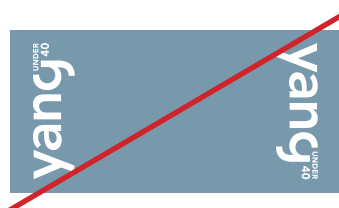

Do not use the logo without the proper color contrast.

Do not use floating logo near edge of artwork.

Do not use the logo on non-approved color backgrounds.

Do not use the logo on its side.

Do not use the floating logo with the Auto Care logo lock-up.

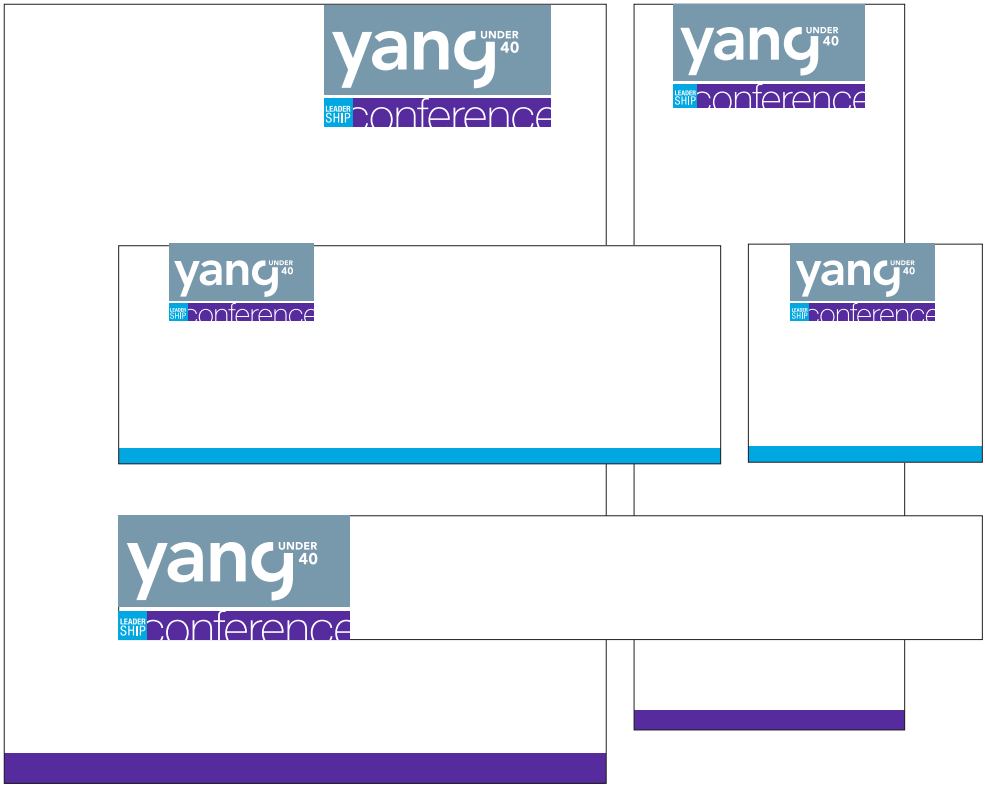

Do not use the logo on gradient backgrounds.
