CONNECT 2024 EXHIBITOR TERMS AND CONDITIONS

EXHIBIT SPACE PROVISIONS

- A. Standard booth provided by Event decorator. All booth structures are 8' deep x 10' wide and include 8' high drapery backdrop, 3' high drapery side dividers to delineate exhibit spaces, and a 17" x 11" identification sign. Included furniture: 1 6' skirted table, 2 plastic chairs and 1 wastebasket.
- B. All exhibits must be free standing. No bolts, screws, hooks, or nails shall be driven into or otherwise attached to the walls or floor of the exhibit areas. No part of the display may be attached to or otherwise secured to the drapery backdrop or side dividers. In addition, no decals or other adhesive materials shall be applied or affixed to the walls, pillars or floor of the exhibit areas. Exhibitor shall not post any sign of any description except within the confines of the exhibit space assigned.
- C. The method of determining space assignments shall be established by Auto Care Association and may be changed from time to time without notice to Exhibitors in order to accommodate what Auto Care Association perceives as the best interest of the Event.
- D. All booths must be staffed during exhibit hours. Exhibitors with booths that are not staffed during exhibit hours could be subject to loss of credentials for future shows and loss of other privileges as determined by Event Management.
- E. Exhibitor personnel are allowed to enter the exhibit space at 9:00 a.m. on the day of the show. Booth setup will take place between 9:00 a.m. and 12:00 pm.
- F. Exhibitors shall not tear down prior to 5:30 pm. It is understood that premature tear down detracts from the overall merit of the Event. Exhibitors found to be dismantling their booth prior to 5:30 pm will be prohibited from exhibiting in future Connect events.
- G. Event Management reserves the right to regulate and/or restrict exhibits to a reasonable noise level. Use of sound motion pictures and tape recorders will be permitted, where appropriate to the display, provided sound in any and all adjacent exhibit areas is maintained with respect to activities in proximity to the noise generated or the Event as a whole.

- H. Exhibitors are not allowed to obstruct the view or adversely affect the displays of other Exhibitors. This includes demonstrations.
- I. Exhibitor is responsible for all damage to property caused by Exhibitor personnel. Should such damage occur, Exhibitor is liable to the owner of the damaged property.
- J. Exhibitor shall not, without the prior written consent of Auto Care Association, distribute or permit to be distributed any advertising matter, literature, souvenir items or promotional materials in or about the exhibit areas except from its own allotted exhibit space.

The Exhibitor shall be bound by the Agreement, including all rules and regulations set forth herein, and by such additional rules and regulations which may be established by Auto Care Association. Auto Care Association shall have the power to adopt and enforce all Event rules and regulations, and their decision on these matters will be final. All matters and questions not covered by the regulations shall be subject to the final judgment and decision of Auto Care Association.
