Sheila Andrews
Manager, Government Affairs

Sheila Andrews joined the Auto Care Association in July 2012 as manager, government affairs.

Andrews represents the interests of Auto Care Association members and the broader auto care industry in legislative and regulatory arenas on both the state and federal levels. Her portfolio of issue areas includes: transportation, vehicle safety, connected vehicle, toxic substance/green chemistry, and market place fairness. She is also staff liaison for the Heavy Duty Distribution Association (HDDA), representing general business issues for auto care industry companies with a stake in the heavy duty side of the market, as well as organizations operating commercial vehicles for the purposes of product movement.

Andrews is a member of Women in Government Relations and the Road Gang – and organization for transportation industry professionals. She is also a graduate of the 2013 University of the Aftermarket Heavy Duty Leadership Class.

Prior to joining the Auto Care Association, Andrews spent five years with the American Motorcyclist Association as senior legislative assistant in the Government Relations department, where she covered transportation, vehicle safety, health insurance, tax, motorsports and public land access issues.

Andrews received her bachelors of science degree in agricultural economics from Texas A&M University.
